Ms. Tiffany Holder

Manager, Talent Acquisition

500 Metro Health Drive

Cleveland, OH 44109

Dear Ms. Holder:

In response to your posting for A Registered Nutrition and Dietetic Technician on LinkedIn.com

I am pleased to submit my application for the NDTR position at the WIC Metro Health. My skills and medical experience closely matches your qualifications. I used to work as an RN in Romania, now I decided to pursue a career in the nutrition and dietetics technology program and enrolled in the Nutrition and Dietetics at Cuyahoga Community College.

During college I did volunteering work in the community and it was a rewarding experience.

Furthermore, I did my community rotation at WIC Metro Health and enjoyed interacting with different backgrounds. I believe I can make a difference by providing nutrition education, nutritional evaluations, performing anthropometric, biochemical information, encourage breastfeeding / education etc. College grades helped me get a Scholarship and placed me on Dean's list for 2017 and 2019. My nutrition and dietetic professor Sharon Doughten RD, LD, MS, and Alyssa Coreno SLP and SPCH professor volunteered to serve as professional references.

If you are looking for a hardworking individual, who learns quickly, speaks another language (Romanian) sensitive to different backgrounds, incomes, and cultures, have strong interpersonal and customer service skills, have experience in a high-volume office or patient registration area, I would be proud to join your facility at Metro Health WIC.

My resume is attached, and I am available for a personal interview at your convenience.

Please contact me at 216-212-4327 or [f.ardelean@hotmail.com](mailto:f.ardelean@hotmail.com)

I am looking forward to meeting you and learning more about employment opportunity with the MetroHealth WIC.

Sincerely,

Felicia Ardelean
